AUCTION FOR IMPACT

**AUCTION
ITEMS**

All proceeds will help Coast Shelter to rebuild lives!

About Coast Shelter

At Coast Shelter, our vision is a community where everyone has a safe place to call home and is empowered to thrive.

For 33+ years, we've supported people across the Central Coast experiencing homelessness and domestic or family violence.

Our Community Centre offers free meals and access to financial, medical, and personal support services for those in need.

Help Us Meet the Growing Need

The increased demand for our services means that we can only provide accommodation to every one in three people who call us.

Meanwhile, our Community Centre, which welcomed over 15,000 individuals in the last year alone, remains unfunded.

That's why we're hosting Auction for Impact and inviting the community to bid generously to help us meet demand. **Together, we can create change for the Coast's most vulnerable.**
